Dear Madam/Sir

I/We have no objection to your laying supply line in my/our property and fixing the necessary meters at the service position chosen by you for giving electricity connection to the above applicant. I/We also note that your company has the right to utilise and extend the supply line laid in my/our property for giving supply to any other occupants.

I/We also have no objection to your carrying out the necessary excavations for laying the supply line and note that the reinstatement of the land will be done by the above named candidate at his/her cost.

Yours faithfully,

Dear Sir,

Electricity supply at _____

I/We declare that the above land belongs to me/us and I/we have no objections for your laying the cables through the same for providing supply to either the above named applicant or anyone who may apply to you for electric supply subsequently.

This way leave permission gives you a permanent right to lay and maintain your cables, lines etc through the said land at any time now and in future, without taking consent from me/us on every occasion and gives you a permanent right of way over the said land for your staff and vehicle.

"I/We note that the excavated trenches will be reinstated by the applicants concerned". If the land covered by this way leave permission is sold, leased, rented or otherwise disposed off, while entering into such a transaction. I/We shall ensure by necessary contract that the terms of letter will be abided by other parties to the transaction.

Yours faithfully,
