

Dear Divya,

It was a pleasure coming to Reliance Energy Office Andheri (W) and that was ~~was~~ more because of you. Very seldom services are made ^{done} so promptly and what more with a smile. I would strongly recommend you for the employee of the year award if such an award exists in your esteemed organisation.

At this point of time I would like to ~~re~~ reinstate that employee's like you should be treasured. All the other members of the society Skyvista are of the same opinion.

Keep it up dear your presence will always lighten up the office.
